BADAN PENGURUSAN BERSAMA PANGSAPURI LAMAN VILLA**

(Registration No. 0050)

**Report on the Audit of the Financial Statements**

*Opinion*

We have audited the financial statements of **BADAN PENGURUSAN BERSAMA PANGSAPURI LAMAN VILLA – MAINTENANCE FUND ACCOUNT** ("the Fund"), which comprise the statements of financial position as at 31 December 2019 and the statements of income and expenditure, statement of changes in equity and statements of cash flows for the financial year then ended and a summary of significant accounting policies and other explanatory notes.

In our opinion, the financial statements have been properly drawn up so as to give a true and fair view of the financial position of Fund's as of 31 December 2019 and of its financial performance and revenue and expenditure for the financial year then ended in accordance with the Malaysian Private Entities Reporting Standard and the requirements of the Strata Management Act, 2013 in Malaysia.

*Basis for Opinion*

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Independence and Other Ethical Responsibilities*

We are independent of the Joint Management Bodies ("JMB") or Management Corporation ("MC") in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

*Material Uncertainty Related To Pandemic Covid-19*

As discussed in Note 11 to the financial statements, in January 2020, the World Health Organization ("WHO") has declared the outbreak of a novel coronavirus ("COVID-19") as a "Public Health Emergency on International Concern" which later on 12 March 2020 announced the outbreak a pandemic. Given the uncertainty of the situation, the duration of any business disruption and related financial impact cannot be reasonably estimated at this juncture. Our opinion is not modified with respect to this matter.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
BADAN PENGURUSAN BERSAMA PANGSAPURI LAMAN VILLA (CONT'D)**  
(Registered in Malaysia)

*Information Other than the Financial Statements and Auditors' Report Thereon*

The Directors of the Developer are responsible for the other information. The other information comprises the Directors' Report but does not include the financial statements of the JMB and our auditors' report thereon. Our opinion on the financial statements of the JMB does not cover the Directors' Report and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements of the JMB, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statement of the JMB or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

*Responsibilities of Directors for the Financial Statements*

The Directors of the Developer are responsible for the preparation of the financial statements of the JMB that give a true and fair view in accordance with Malaysian Private Entities Reporting Standard and the requirements of the Strata Management Act, 2013 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the JMB that are free from material misstatement, whether due to fraud or error. In preparing the financial statements of the JMB, the Directors are responsible for assessing the JMB's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the JMB or to cease operations, or has no realistic alternative but to do so.

*Auditors' Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the JMB, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the JMB's internal control.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF  
BADAN PENGURUSAN BERSAMA PANGSAPURI LAMAN VILLA (CONT'D)**  
(Registered in Malaysia )

*Auditors' Responsibilities for the Audit of the Financial Statements (cont'd)*

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the JMB's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the JMB or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the JMB to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the JMB, including the disclosures, and whether the financial statements represent the underlying transactions and events in manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

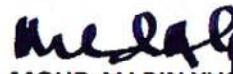

*Other Matters*

This report is made solely to the proprietors of Park Properties Sdn Bhd, the developer of Pangsapuri Laman Villa, as a body, in accordance with Section 26(1)(b), Strata Management Act, 2013 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

**11. Events subsequent to balance sheet date**

In January 2020, the World Health Organization ("WHO") has declared the outbreak of a novel coronavirus ("COVID-19") as a "Public Health Emergency on International Concern" which later on 12 March 2020 announced the outbreak a pandemic. The outbreak continues to spread throughout the world and has adversely impacted global commercial activities and contributed to significant declines and volatility in trades. On 18 March 2020, the Malaysian government has imposed the Movement Control Order ("MCO") which created disruption in supply chain and adversely impacting many industries.

As at the date of this report, the pandemic has yet to run its full course and the situation remains fluid. Due to the unpredictability associated with the COVID-19 outbreak and any further contingency measures that may be put in place by the governments and various private corporations, the potential financial impact of the COVID-19 outbreak on the Company's financial statements could not be reasonably estimated at this juncture. However, the Board of Directors will continuously assess the impact of COVID-19 on its operations and financial performance of the Company.
