HEALTH PREVENTION MEASURES

Our company is allow to offer one of the most complete medical insurance services due to the COVID-19 virus,so that all senior students can experience the graduation trip. Unlike other companies we only offer the plane as a mean of transport, it is a shorter trip so that graduates are less hours shat away in the same place with other students, families and our Staff.

Thats why we count with:

- We will deliver free masks to all passengers at any time as they require masks**
- During the trip all the graduates must be with mascara and hand sanitizer all the time.**
- We will offer hand sanitizer constantly to stay sanitized**
- Med bay available 24hs for any symptoms of covid in each hotel**
- exclusive ambulances**
- temperature registration while leaving the hotel and at the entrance of any disco or excursion.**
- Cleaning an ventilations at all the places.**

Sanitary protocols will be applied from the begining of the trip to the end of it, with the porpouse of keeping the graduares, family and the staff in good health.

Important:

Those students that show covid-19 symptoms will be excluded from the group until results and recovery from the virus.
