

happy first
year mylove..

OH ME,

OH MY,

YOU'RE THE APPLE OF MY EYE ♡

What a blast...
a roller-coaster ride for us both to
get know each other, i hope we're
going strong each day.

i'm sorry i can't be the perfect girlfriend you wished i am to be, but one thing you have to know that i always tried to be better for you each day..

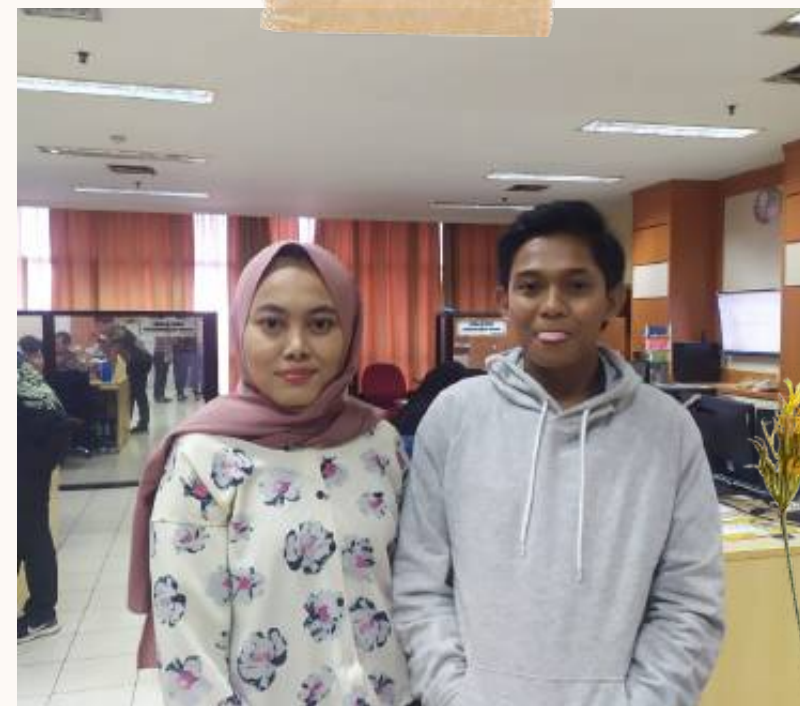

but to me, you're enough.. i love everything about you.. your hair, your eyes, your smile, your smell...

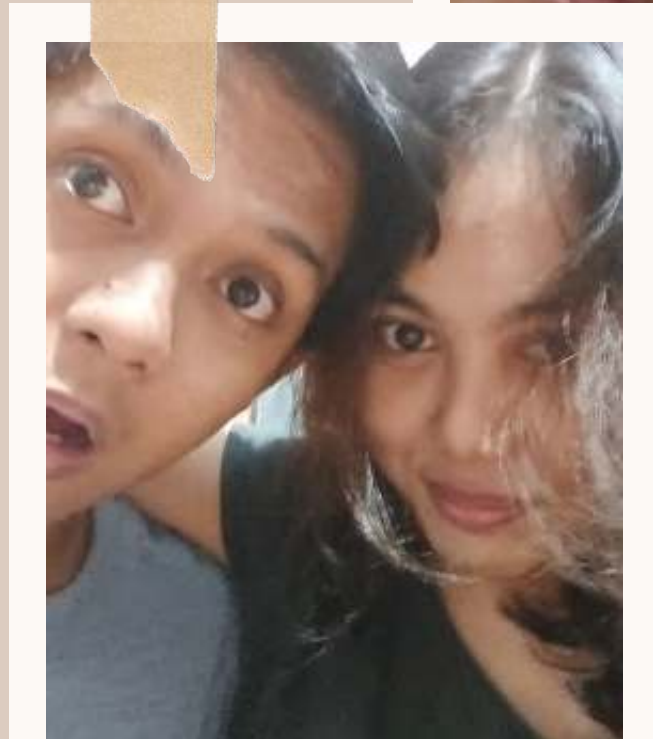

Thank you for taking
care of me all those
times... for being there
thru my hard times, i
sincerely thank you for
everything you did to
me..

Our meeting
was out of a
sudden, but
i believe it
wasn't a
coincidence.

You let me feel
the sparks that never
happened to me
before, despite the
tears that dropped,
you brought me the
actual love that is so
sincere, i can feel it...

Sayang, happy first year of our relationship...

This might be not as smooth as it may seem, but thank you for holding on on me always. Thank you for always trying when the shit gets real. I'm glad we had each others back. We dont know what life will throw us in the future, but please believe in us. please believe that we met for a purpose. Please take a flashback of our good days. If there's only one wish i could make today that would be, please dont give up on me.....and please dont give up on us.....when the days get rough i promise to stay beside you. I love you for who you

are,
ha badiiiiiil...

OH ME.

OH MY.

YOU'RE THE APPLE OF MY EYE ♡

Happy anniversary
to us, my love!

Today, as we mark our anniversary,
I want you to know that to be with
you is worth it. I look forward to
spending more wonderful times
with you.
