

Camron began its journey in the year 2000 along with the beginning of a new century. The restaurant that began as a shack at Majorda Beach was named after its owners **Camilo** and **Serona**. Since then it has been our duty to serve fresh seafood with home recipes that are close to our heart, along with a wide range of exotic drinks to treat your taste buds. Camron makes sure to entertain everybody who comes along with some great Karaoke during the season.

Orders will not be taken beyond 10:45 pm.
