## Your experience with us

Nu Disk Lokal group has the pleasure to organise a memorable experience for you in accordance to the Mauritian culture

Your special day will start with a visit at the Alteo Sugar factory in the east of our island, where you will have the unique chance to see a factory in its operation process but also to assist at a unique cocktail masterclass on site with our mixologists

## Final touch

As we can't let you go without raising the level of adrenaline after this long and pleasant day, one of our speed boat will ensure that we finished on a positive vibe.

## Services

### Share your moments

Last but not the least we have designed and concoct a bbq lunch on a small privatized island which is known as the île aux Mangénie island with its sublime teast cost line where you will have the chance to make a swim in the arm and turquoise sea
